### **Marshall Recycling Center to open February 7, 2017**

Calhoun County is excited to announce the opening of the new Marshall Recycling Center located at 13300 15 Mile Rd., Marshall on February 7, 2017. The new center will be open:

**Tuesday 10 am – 2 pm**

**Thursday 2 pm – 6 pm**

**Saturday 10 am - 2 pm**

Recyclers are asked to separate their recycling into the following categories:

- Aluminum
- Tin cans
- Clear uncolored glass
- #1 PET clear plastic bottles
- #2 HDPE milk and water jugs
- #2 HDPE colored plastic bottles
- #1, #3, #5, #6 and #7 mixed rigid plastic containers
- Newspaper and phonebooks
- Cardboard and box board
- Office paper, notebooks, mail, and envelopes
- Magazines and catalogs
- Styrofoam #6
- Household batteries
- Lithium household batteries

It is recommended that you place your sorted items in a cardboard box or paper bag which can be recycled at the center. Reusable recycling bins are also acceptable. Staff will be handing out a limited supply of reusable bags. Recyclers will pull up to the stop sign in front of the recycling center, and staff or volunteers will unload vehicles and load the recycling into the recycling trailers.

For further information please contact the Calhoun County Public Health Department at 269-969-6341 or visit [www.calhouncountyrecycling.com](http://www.calhouncountyrecycling.com).
